The Music Man

Sunday, May 24 @ 2:00 p.m.

Kellam Auditorium

The Story: River City, Iowa. 1912. Con man Harold Hill arrives in River City intending to cheat and sweet talk this hayseed community with his standard scam of offering to equip and train a boys marching band, then skipping town with the money since he has no music skill anyway. Things go awry when he falls for a librarian, whom he tries to divert from exposing him, while he inadvertently enriches the town with a love of music. This magical musical score wows audiences with such all time favorites and showstoppers as: *Seventy-Six Trombones*, *Till There Was You*, *Ya Got Trouble*, *Gary, Indiana*, *Good Night Ladies*, and *Pick-A-Little, Talk-A-Little*.

Admission:

Saint James students will receive priority seating for the Friday night performance, and we recommend the Saturday night and Sunday afternoon performances for visitors, family members, the community, and Mummers' Society fans.
