TO BE COMPLETED BY THE APPLICANT

ENROLLMENT AT SAINT JAMES SCHOOL CONSTITUTES A REAL COMMITMENT ON THE PART OF THE STUDENT. In order to make the most of a Saint James education, you must commit to a course of challenging academics and strive to be as involved as possible in a wide variety of activities, which together make the educational experience so valuable. We believe this commitment should begin at the time of application and, accordingly, ask that you answer the following questions thoughtfully, candidly, and in their entirety. **Please handwrite the final draft of your thoughts on these questions in this space.**

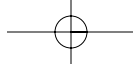

List any academic honors/awards you have received in the last two years.

We are eager to learn more about your interests. While we realize that not all applicants have had opportunities for athletic or extracurricular involvement, we do ask that you list any activity, team, position, offices held, theater roles, instruments played, etc. Attach an additional sheet if you need more space.
