THE SCHOOL

Founded in 1842, Saint James School is a coeducational, Episcopal boarding school with a smaller day student program. Located in central Maryland on a 100-acre campus surrounded by 700 acres of school-owned farm land, Saint James is 5 miles south of Hagerstown and 70 miles from both Washington, DC and Baltimore. With three-quarters of our students boarding and the student body representing 16 states and 26 foreign countries, the School prides itself on offering a personalized approach to learning in a diverse and inclusive environment. As a result of the strong tradition of academic excellence, with competitive athletics and a full program in the arts, Saint James School challenges its students to grow academically, athletically, artistically, socially, and morally.

Saint James School is accredited by the Association of Independent Maryland Schools, Middle States Association of Colleges and Schools, and approved by the Maryland State Board of Education. Professional and academic affiliations include NAIS, NAES, NACAC, PCACAC, ACCIS, College Board, and the Cum Laude Society.

RESPONSE TO COVID-19

Saint James School moved to virtual learning for the final three months of the 2019-2020 academic year due to the novel coronavirus pandemic. We retained our traditional letter grades for all courses, and maintained our academic momentum through the end of the year. In the 2020-2021 academic year, we held in-person instruction for our boarding students, and offered virtual learning for those who wished to stay home.

Athletic and extracurricular offerings were truncated. In 2021-2022, we are operating normally in all areas of school life.
