

Saint James School is excited to host the 35th Saint James Invitational Tournament for the 2021-2022 basketball season! The tournament is a special time to showcase our campus, our student-athletes and the local community. Following the revival of the tournament in 2016, we have received an overwhelming response from alumni, parents and friends who cherished this tournament over the years (1974-2022).

The 2020 SJIT featured a capacity crowd cheering on the best high school basketball teams in the country. These teams included seven athletes who were selected in the first round of the 2021 NBA draft, a record number of future professionals on the court at one SJIT! We look forward to filling Alumni Hall again to cheer on the Saints in competition with nationally competitive programs including Huntington Prep (WV), The Miller School (VA), and National Spire Academy (OH).

The 2021-22 Saint James Boys' Basketball team is poised for winning season. This year's Saints include two Fifth Form students who have been offered scholarships to play basketball at Division I schools including Virginia Commonwealth University, George Washington University, and George Mason University. College basketball coaches from West Virginia University, Marquette University, and Temple University continue to visit our campus to monitor the basketball program while we prepare for the upcoming season.

The 35th SJIT will be held on February 3-5, 2022. The SJIT relies on the ongoing support of generous sponsors and we hope that you will consider being a sponsor of this nationally recognized event at Saint James School.

Thank you for your support!
